

Thornton Le Dale CIO Bowls Club CIO1201199

Health and Safety Policy

Thornton le Dale Bowls Club CIO. is committed to encouraging its members to take part in, and enjoy, both the sport of bowls and its social environment. We recognise that the health and safety of our members whilst at the Club, is a vital part of this commitment.

To support this commitment, the Club will:

Undertake recorded Risk Assessments of the Club premises and activities undertaken at the Club. All Risk Assessments will be reviewed by the trustees for action.

Create a safe environment by putting in place health & safety measures as identified by the risk assessments. Ensure that all members are aware of, and follow, the Club's health & safety policy. Appoint competent Club members to assist with health & safety responsibilities. Ensure that normal and emergency operating procedures are in place and known by all members.

Provide first aid box , this is in the kitchen area & visible.

In an Emergency, dial 999. A Defibrillator situated on village green.

Report all injuries, accidents and incidents, perceived or otherwise, in the Incidents & Accident Book. These are events that have, or may have, resulted in an injury, sustained during Club activities or whilst on Club premises.

The Trustees will regularly review the accident and incident reports. All reports must be forwarded to the Trustees for action and review.

The Trustees will regularly review and monitor implementation of this policy.

Club members have a duty to:

Take reasonable care for their own health & safety and that of others who may be affected by anything they do, or do not do.

Co-operate with the Club on health & safety issues.

Correctly use any equipment provided by the Club. Not interfere with, nor misuse, any items provided by the Club for health & safety purposes.

Issue 2 – June 2024.
